

High performance Cylinder Bed Overlock Machine with top feed

KANSAI
SPECIAL

JJT5014GH-01M-2x4/VTC/RT

2 needles 4 threads overlock with 148mm circumference cylinder with top feed.

This machine is ideal for working with stretchy material such as Lycra, swimwear, underwear

The small cylinder makes sleeves hemming and children wear easy to handle

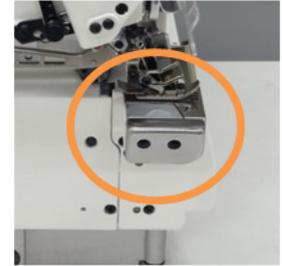

Features

Needle bar oil return system
Protects the fabric from the oil stain

Push-button stitch length adjustment
For easy operation

Cylinder bed
148mm circumference

Attaching a roller set for expanding an elastic tape according to the diameter of the garment makes sewing very easy without any ply shifting
