NL SERIES

■ DLC coated needle bar

■ New oil seals

NL5803GPHD

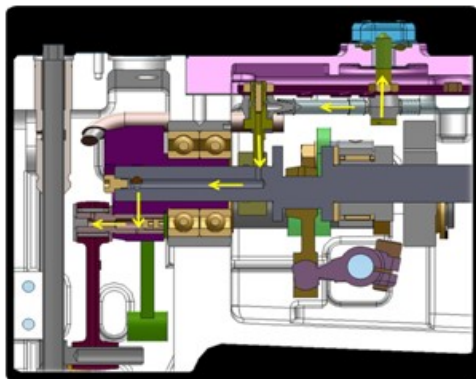

■ New Hand Wheel

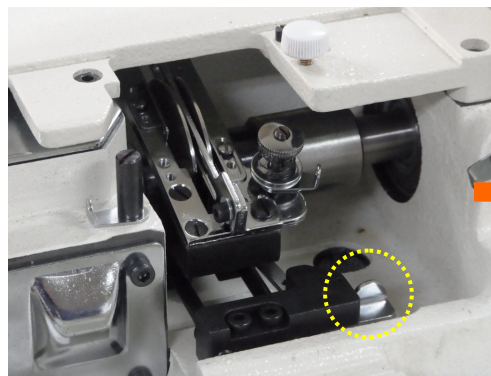

■ User-friendly presser foot lifter

This DLC (Diamond-Like Carbon) coated needle bar ensures the durability and the stability. The new oil seals equipped on the needle bar and the presser foot bar prevent oil leakage and protect your sewn products from oil stains.

■ New lubrication system

This new lubrication system through the needle bar link bearing reduces noise and vibration.

■ Slide-out thread take-up system

Pull the lever and the looper thread-take up cam will slide toward the operator. This simplifies threading and troubleshooting.
