

MAC200-DD

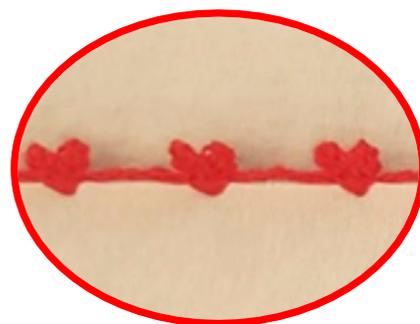

Decorative stitch machine

High-end model of decorative stitch machine. This series represents epoch-making products of PX, featuring a 4-point zig-zag capability with a wide variety of combinations between zig-zag designs and flower picoting, all controlled by an electric system. It is a 1-needle, flatbed machine with an LCD touch screen and direct drive

Stitch samples

There are 5 built-in patterns in the program, and you can customize more than 90 patterns to your liking. It is equipped with an electric panel, making operation easy and user-friendly.
