

# NC1103GUS-UTA

## Top and bottom coverstitch machine

NC1103GUS-UTA is a 3-needle, 5-thread top & bottom coverstitch ultra slim cylinder bed machine.

It is designed for sewing light to medium non-stretch materials. This series is particularly suitable for sewing sleeve cuffs and neck openings in infant and children's clothing.

## Ultra small cylinder bed and double puller

Cylinder size is **145mm**.

It is suitable for sewing baby's and women's clothing. Instead of feed-dog our easily adjustable rear roller system pulls the fabric according to its needs.

## User-friendly functions

Equipped with an exterior looper thread take-up cam, it is easy to thread and adjust. The automatic thread trimmer increases productivity.
