

NFS6604GFMH-H-V/DD

Feed-off-the-arm flat seamer

4-needle, 6-thread feed-off-the-arm flat seamer suitable for medium to heavy knitwear materials. Equipped with a double-cut presser foot and an economical direct servo motor. Additionally, it features a digital hand pulley, pneumatic suction device, foot lifter, and extra parts for versatile operations

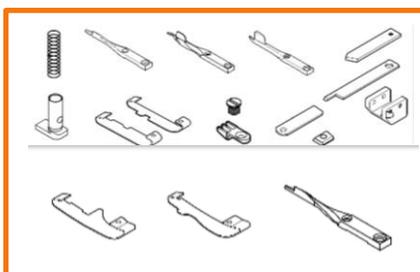

Super differential feed mechanism

Differential feeding mechanism was developed with a wider range of differential ratio. It can be adjusted from 1 : 1.5 to 1 : 0.5 by switching the position of the feed rocker.

User-friendly options

Operator-friendly cushion pads and air-type foot lifters are available. We offer a wide variety of parts suitable for use with your favorite fabrics.
